FABRICATION | PIPING | REFRACTORY | WIRING | SHOP ASSEMBLY | FIELD INSTALLATION

GFS LLC provides quality contract manufacturing services to a global customer base with a broad portfolio of fabrication, piping, refractory, electrical and installation disciplines.

With annual revenues exceeding \$8 million dollars, GFS offers integrated industrial contracting applications through operating units managed collaboratively and collectively.

Throughout its 43 year history, GFS has inspired its employees to remain focused on extraordinary customer service, safety and the highest personal and professional ethical standards.

GFS has recently been highlighted on the Fox Business Network Television Show, called Manufacturing Marvels (see our website for a video-link)

GFS LLC stands ready to serve your specific project requirements For more information, visit [www.gfsfab.com](http://www.gfsfab.com) or call John Hnath @ 412-262-1131
